

**Three ICaps<sup>®</sup> formulas!**  
**Fit the formula to the patient**

**Larry Zinda is concerned about age-related eye disease and may be at risk. Alcon ICaps<sup>®</sup> L&Z is made for him.**

**For patients concerned about general eye health: The ocular vitamin enriched with lutein and zeaxanthin**

- Provides many of the same ingredients used in the AREDS study<sup>1</sup>
- Adds natural carotenoids lutein and zeaxanthin to the formula
- Includes vitamin A, riboflavin, manganese, and selenium

**Recommend ICaps<sup>®</sup> vitamin and mineral supplements with confidence. From Alcon, the trusted leader in eye care.**

The personal names used above are fictional and any resemblance to real people is purely coincidental.

**ICaps<sup>®</sup> MV**

For patients who want to help their eyes and everything else

All-in-one formula for eyes & body based on the AREDS formula PLUS lutein, zeaxanthin, and 23 other ingredients<sup>1</sup>

**ICaps<sup>®</sup> AREDS**

For patients diagnosed with age-related eye disease

Provides exactly the same amount and type of vitamins used in the AREDS study<sup>1</sup>

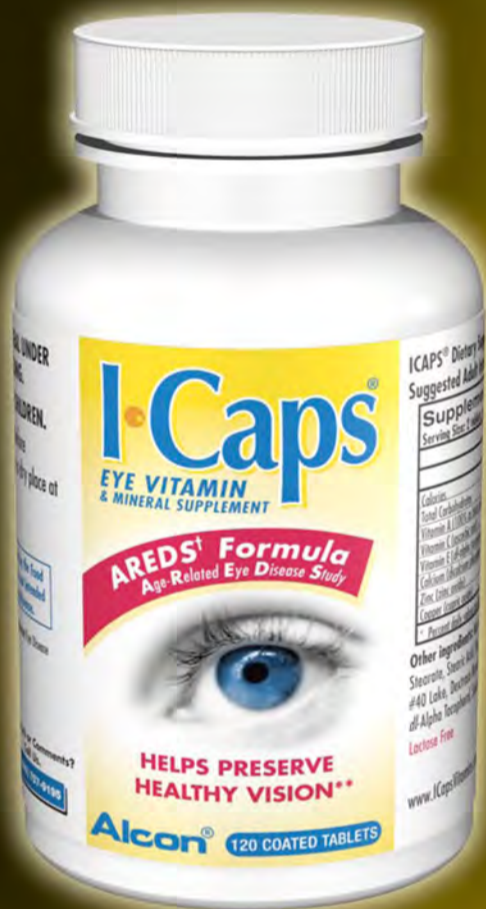

Reference: 1. Age-Related Eye Disease Study Research Group. A randomized, placebo-controlled, clinical trial of high-dose supplementation with vitamins C and E, beta carotene, and zinc for age-related macular degeneration and vision loss: AREDS report no. 8. *Arch Ophthalmol.* 2001;119:1417-1436.

**Three ICaps® formulas!**  
Fit the formula to the patient

**Arnie Redstone**  
has age-related eye disease.  
**Alcon ICaps® AREDS** were made for him.

For patients diagnosed with age-related eye disease: The complete, *clinically proven* ICaps® AREDS formula<sup>1</sup>

- Provides exactly the same amount and type of vitamins used in the AREDS study<sup>1</sup>
- Proven to slow progression of moderate to advanced age-related eye disease<sup>1</sup>

**Recommend ICaps® vitamin and mineral supplements with confidence. From Alcon, the trusted leader in eye care.**

The personal names used above are fictional and any resemblance to real people is purely coincidental.

### ICaps® L&Z
